

Boat Person: 2009 Canada Summer Games

Overview:

The Nova Scotia Rowing Association is currently looking for a Boat Person to be a part of the Canada Games Rowing Team from July 1st to August 31st for the 2009 Summer Games.

This position will be reporting to Nova Scotia Rowing Association & CG Liaison Committee.

Description:

The Boat Repair Person is responsible for repairing and maintaining all boats for use by the rowing athletes representing Nova Scotia at the national competition of the Canada Games 2009. Responsibilities will include repair, rigging, setting up of boats and general maintenance of all rowing shells to be used during the competition.

Requirements:

Working knowledge of rowing is an asset and several years of experience repairing rowing shells preferable.

Skills and attributes of the successful candidate(s):

- Verifiable work with rowing shells, rigging, set-up, maintenance and repair experience.
- Valid Boating and Drivers Licenses an asset.

Payment for this position will be announced at a later date.

If you would like to apply to be part of the support for our rowing athletes please send your application to:
